Loftis Families and Community,

For many years Loftis has held an annual Cougar Card fundraiser every spring. We were set to launch the **2020 Silver Anniversary Cougar Card** on Friday March 13, 2020 - then the world shut down. We are launching this fundraiser now in hopes that we can recoup the money we have already paid out of pocket to the vendor and to raise enough money to build an outdoor learning space! This is by far our largest fundraiser so the postponement was a massive hit to our school budget.

The Cougar Card provides you with discounts at a dozen vendors through 2/28/21. In addition to the Cougar Card itself, you receive seven coupons which total more than a \$50! The donation price for the Cougar Card is still only \$10. We hope to sell 2,000 or more cards this year.

Normally we have students sell these cards face-to face, however due to COVID-19 restrictions this fundraiser is online only. Purchase the Silver Anniversary Cougar Card through the online school payment link on our website, lms.hcde.org

We are encouraging families to purchase a block of 2-5 (or more) cards upfront then sell to family and friends. Please consider promoting this link *with a picture of the card* to your social media accounts with a personal message to enhance awareness of our fundraiser.

In 2020, the 25th Anniversary of Loftis Middle School and a year like none other, we will continue to push forward with a drive for excellence. All kids deserve it. Thank you for your continual support.

Sincerely,

A handwritten signature in blue ink that reads "Mary Catherine Gatlin".
